This matter was opened to the New Jersey State Board of Dentistry ("Board") upon the application of Roy McTernan, D.M.D. ("respondent"), seeking to remove the remaining restrictions on his license pursuant to the Board's order of February 7, 2002. In support of his application, Dr. McTernan has submitted reports from William Keene, D.D.S., M.A., Executive Director of the Well Being Program sponsored by the New Jersey Dental Association, and from Colleen Peruo, Ph.D., his treating psychologist. The Board notes that Dr. McTernan has made excellent progress in his recovery. At this time, the Board believes that Dr. McTernan's continued recovery for a period of more than five years warrants removal of the remaining restrictions and that such action is consistent with the Board's obligation to protect the health, safety and welfare of the public.

IT IS ON THIS 2/ 2DAY OF SEPTEMBER, 2005,

ORDERED that all restrictions and monitoring requirements imposed on Roy McTernan, D.M.D., be and are hereby lifted.
